

Are new technologies an asset for society ?

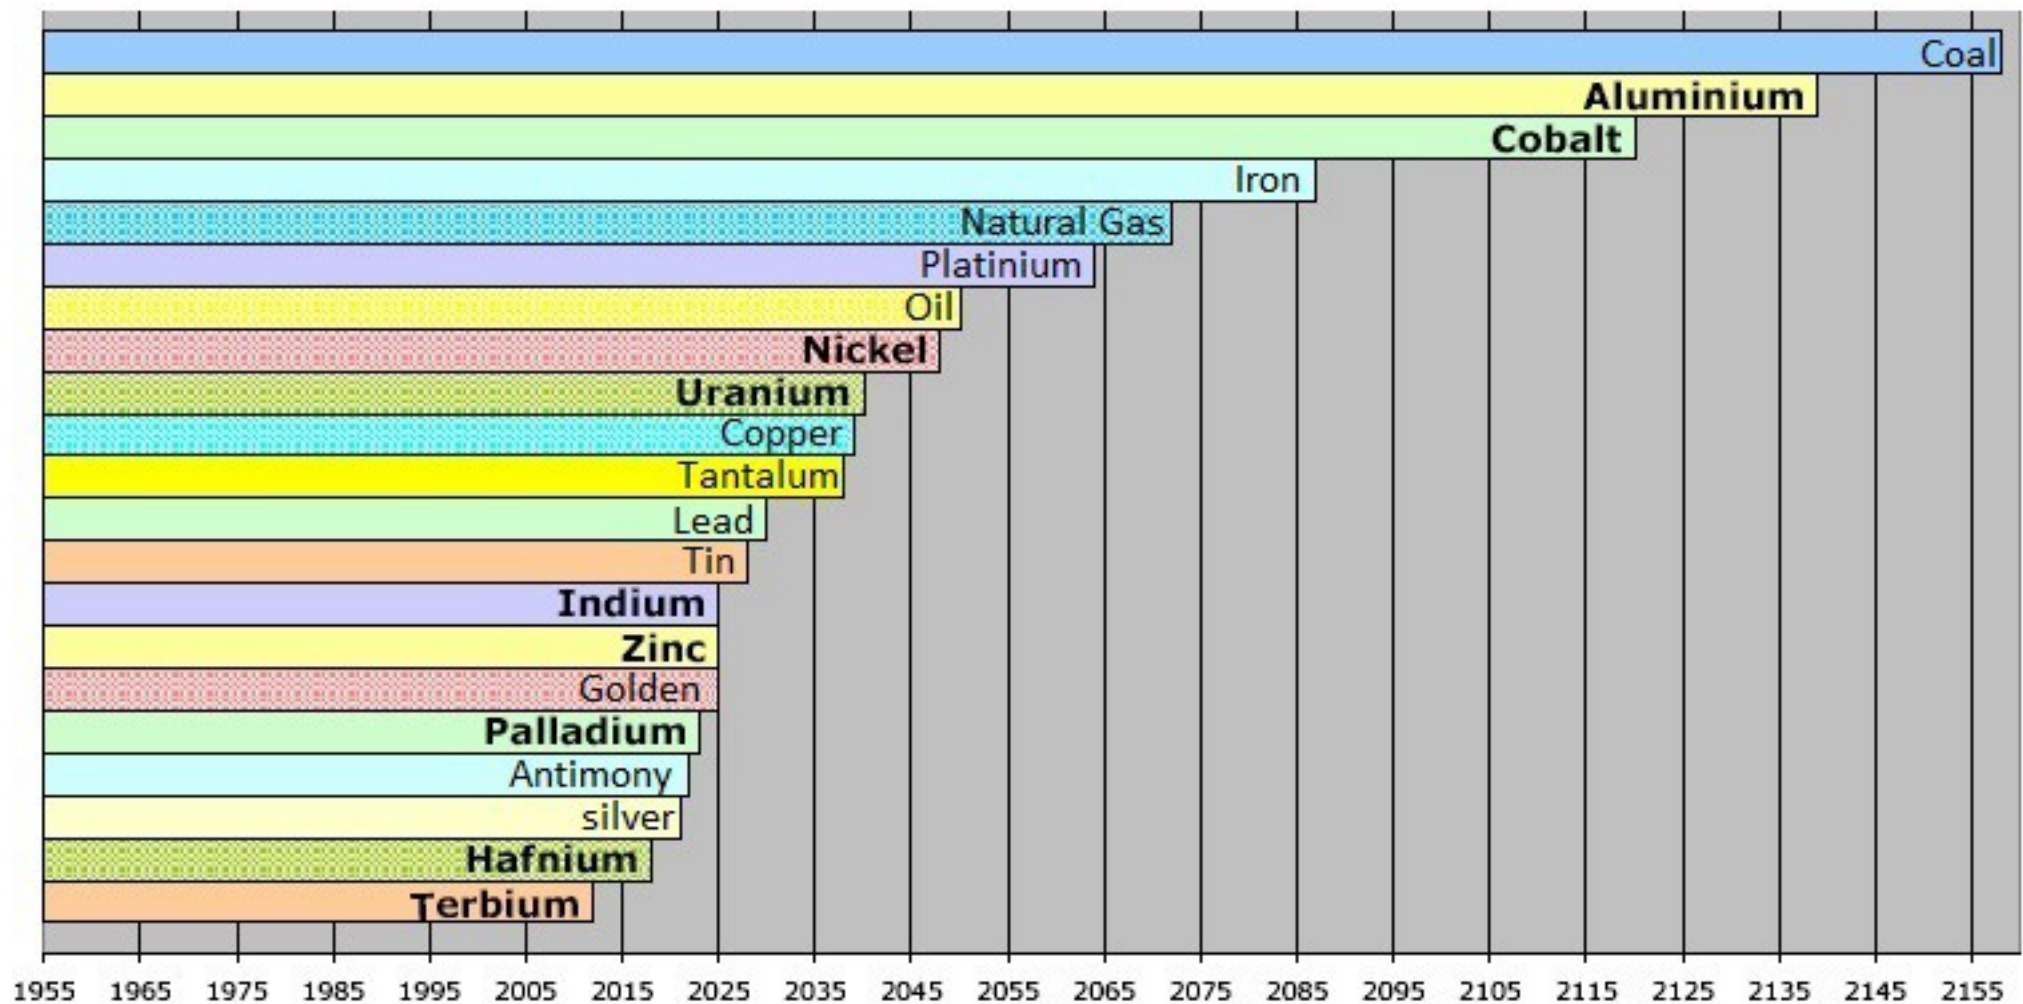

A serene sunset scene over a body of water. In the foreground, a small, weathered wooden boat with a blue-painted hull is moored, its reflection visible in the calm water. Two long wooden poles are propped up inside the boat. In the background, several fishing nets are strung across the water, and a few distant boats are visible on the horizon. The sky is a mix of soft pinks, purples, and blues, with scattered clouds. A semi-transparent dark box is centered over the image, containing the quote.

Nothing is lost, nothing is created,
everything is transformed.

Antoine Lavoisier
